## Elements of Effective Practice – 2-Day Workshop

This training will cover best practices for mentor program design, management, operations & evaluation, in an efficient two-day format. Content provides school, community, and faith-based teams with tools to design a quality mentoring program based on the MENTOR/National Mentoring Partnership's *Elements of Effective Practice for Mentoring™*. This training also provides a solid foundation of knowledge regarding mentoring best practices for new and veteran staff of mentoring programs. The workshop covers all four modules from the *Elements of Effective Practice for Mentoring™* - program design, management, operations and evaluation.

Schedule a customized on-site training.

Most workshops can be delivered in 2 hours or less.

Affordable!
